

Progetto Clil: Geografia

Nel corso di questo anno scolastico , i ragazzi di tutte le classi hanno sperimentato la tecnologia *CLIL* che prevede lo studio di una materia scolastica in lingua inglese.

La materia prescelta è stata: *Geografia* .

L'attività è stata realizzata, in orario curricolare , per classi aperte e gruppi di livello di conoscenza competenza e capacità .

Visto l'esito positivo di tale sperimentazione si conferma, per il prossimo triennio, lo svolgimento di tale corso.

Programma *CLIL Geografia (Classi Prime)*

- Mountains
- Seas
- Rivers
- Waterfall formation
- Coasts
